Chairman. Constitutional Revision sets them for the 20th and 21st. Signed Senator Syas, Chairman. Mr. President, the Committee on Committees gives notice of a Committee Hearing on Wednesday, February 12th for the purpose of hearing appointments. Signed Senator Savage, Chairman.

PRESIDENT: Motions to re-consider.

CLERK: None, Mr. President. I do have some Rule changes to insert in the Journal by Senator Burbach.

PRESIDENT: The chair recognizes Senator Kelly.

SENATOR KELLY: Mr. President and members of the Legislature, I have an amendment on LB 145. It's printed in the Journal.

CLERK: Mr. President, the amendment is printed in the Journal. It is a motion--well, the motion would have to be to return LB 145 to Select File for a specific amendment. Page 360, Journal. Read. Signed Senator Kelly.

PRESIDENT: Senator Kelly.

SENATOR KELLY: Mr. President, members of the Legislature, my objection in this section 4 is that it appears to me that those words say that the Legislature shall adequately fund this act and way on down, when you get through reading all of those words, the whole bunch of them simply state that any funds that will be used for this conservation will come from the General Fund, and my amendment states the proposition in the actual words that any funds for this conservation will come from the General Fund and I move the adoption of the amendment.

PRESIDENT: I think we have to move it back to Select File.

SENATOR KELLY: Right. I am sorry about that. I move that we return the bill to Select File for that specific amendment.

PRESIDENT: All right. Is there any discussion on the motion? To return to Select File for specific amendment, LB 145. Senator Syas.

SENATOR SYAS: I think the amendment is all right. The only thing that bothers me is that it says after appropriations insert (a) and I can't quite figure out when I put the amendment in the book, what's the (a) doing in there. I mean.

PRESIDENT: Is it appropriate to discuss it until we move it back, Senator? All right, proceed.

SENATOR SYAS: It's just a--maybe someone can enlighten me. The amendment is Ok. It says after appropriation insert (a) and strike (or), and then strike line 5 and 8. That makes sense and your striking (or) makes sense but where does that (a) come in?

CLERK: Insert a period. The quote is a period.

SENATOR SYAS: Oh, OK. I've got it. OK.

PRESIDENT: The question is to return to Select File for specific amendment, LB 145. Is there any further discussion on that amendment? A machine vote. Record your vote. Have you voted? Record Mr. Clerk.
